Visual Impact has been a great business partner with Tucker-Rocky in supplying high quality goods and services in a timely manner.

*Kevin Hough
Tucker-Rocky Distributing*

My experience with Visual Impact was great!! Working with them on the design was effortless and they were very helpful. The turnaround was awesome, especially since I need them in a hurry to have them in time for the Mammoth MX race. They even hand delivered my canopies to me as I was leaving for the event the day they finished them!! The finished product looks great, and these are by far the sturdiest, best looking canopies we have ever purchased.

*Chuck Kober
O'Neal Racing*

The table cloth was gorgeous! ... Our launch was great. PIX 11 news of NYC interviewed us and took tons of pictures. We are supposed to be featured in a segment early 2014. Thanks again for the great work.

*Christy
Elimindi*

We received the tent on Thursday and we used it for our Friday event. We received so many compliments and it just looks amazing. Thanks for being patient with us and we love our product.

POP UP BANNERS

Pop up banners with full color double sided dye sublimation printing and foldable thin steel frame for portability (similar to a sunshade) are like dividers, sideline ads, barriers, markers, and banners all in one. They are great for field sidelines, driving ranges, and race courses of all kinds. With minimal effort, they are set up and secured with the included ground pegs or folded away and stored in the included carry bag. Other shapes are also available, like oval, pear and tower style.

VIP STEEL SERIES

Available in 5x5, 8x8 and 10x10. Our VIP Steel Series frame was developed for durability and years of quality service. The advanced nylon 66 synthetic fiberglass used in the brackets help to strengthen and reinforce the frame. These frames are available in a white textured powder coated finish and feature a peak height adjuster and easy release levers for easy set up take down. The most popular package includes an industry leading 600 denier polyester tent top with full coverage digital dye sublimation printing. Additional fabrics and print methods are available.

CONVERTABLE TABLE COVERS

Convertible table throws are designed to fit a variety of different sized tables and ensure that you always have the right size table cover for your event. Don't be surprised by what size table is supplied for you at your next trade show, convention, or event. A convertible table throw solves the problem. These table throws quickly convert from a 6' to an 8' table size, or from a 4' to a 6' size. It's like getting two table throws for the price of one! Dye sublimation printing allows for full color, photographic quality imprint of your logo, graphic, and message. We offer a variety of fabrics depending on your needs.
